

Our History

The United States Junior Chamber International Senate Organization was established in 1972 in Atlanta, Georgia. The first President to serve was James J. O'Connell #5046 from the state of Illinois.

Since the beginning, the US JCI Senate has continued to grow, to promote fellowship among senators, and to support the Jaycee organization.

The first known gathering of the 30 NC Senators was in 1968 at breakfast during a NC Jaycee state meeting. These 'Mentors to the Jaycees' agreed to meet at future NC Jaycee state meetings to provide support for the NC Jaycees and to renew friendships. Officially, the North Carolina JCI Senate was chartered in 1975 in Miami, Florida.

The NC Senate holds three official meetings annually: Two meetings are held in conjunction with the NC Jaycee conventions and one is scheduled in the spring for elections.

While the JCI Senate promotes fellowship, and assists and supports the Jaycees, it is important to note that senators are expected not to interfere in Jaycee affairs.
