The passing of Allen Pierce is a very sad time for me. I served as one of his Vice Presidents and got to know him pretty well. We had many things in common. Not only was he family in the Senate, but he was a Brother Mason as well. He was a firefighter and so is my son, I am also a member of a Fire Company

and a Brother as well. I am glad I had the opportunity to spend time with him in Florida. It is hard to say good-bye to a person knowing you will not see them again so I parted with Allen saying "I will see you again someplace in our travels".

Time and money spent in helping men do more for themselves is far better than mere giving.
